

**REMARKS/ARGUMENTS**

***Amendments in General / Claim Rejections - 35 U.S.C. § 112***

1. Claims 2 and 3 have been canceled.
2. Claims 1, 4-9, 11 and 12 have all been amended to be definite, consistent with the Examiner's suggestions. Claim 9 has been amended in that the Examiner likely would have argued that "the length" lacks proper antecedent basis. Such changes add no new matter.
3. The Examiner has indicated that claim 7 would be allowable if the §112 rejections are overcome. As such, claims 7-12 should now be allowable.

***Claim Rejections - 35 USC § 102***

4. The Examiner rejected claims 1, 2, 5 and 6 under §102(b) as being anticipated by Ostergaard, II et al.
5. The limitations of claims 2 and 3 have been added into claim 1, and claims 2 and 3 have been canceled.
6. The Examiner has previously indicated that "Claims 3...would be allowable if rewritten to overcome the rejections(s) under .... 35 U.S.C. 112...and include all of the limitations of the base claim and any intervening claims." Claim 3 depended from claim 2 which depended from claim 1. By incorporating the subject matter of claims 2 and 3 into claim 1, claim 1 should now be found to be allowable, including all of the claims that depend therefrom (including claims 5 and 6). As such, the §102 rejection has been overcome. Such changes add no new matter.
7. As such, claims 1 and 4-6 should now be allowable.

***Conclusion***

Applicant believes that all pending claims (1 and 4-12) are now allowable. If the Examiner feels it would advance the application to allowance or final rejection, the Examiner is invited to telephone the undersigned at the number given below.

Reconsideration and allowance of the application as amended is respectfully requested.

DATED this 30<sup>th</sup> day of September 2004.

Very respectfully,

---
